DETAILED ACTION

Election/Restrictions

The election of species of record is maintained for the reasons of record.

Claim Rejections - 35 USC § 103

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 29, 30, 33, 36-42, 51, 54-60 and 70-73 are rejected under 35 U.S.C. 103(a) as being unpatentable over Hammarstrom et al. or Wadstrom in view of Robertson et al. or WO 92/22309 and further in view of Akinson et al.

Applicant argues that the references do not teach using the components for the same purpose but this is simply false. It is clear from the references themselves that they are all used for wound healing. Further applicant argues that the elastase inhibitor is not taught in Hammarstrom or Wadstrom. This is why the rejection under 35 USC 103.

In response to applicant's arguments against the references individually, one cannot show nonobviousness by attacking references individually where the rejections are based on combinations of references. See *In re Keller*, 642 F.2d 413, 208

USPQ 871 (CCPA 1981); *In re Merck & Co.*, 800 F.2d 1091, 231 USPQ 375 (Fed. Cir. 1986).

The references teach that the components of the claimed composition are known individually in the art for the same purpose, namely, wound healing. Since this is true, the rejection is maintained.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
